- Our products are water-based, solvent-free, and environmentally friendly.
- **Pigment** printing may or may not fade overtime, depending on fabric quality and wash-care
- **Avoid** strong detergents, hard spin, over-dye, bleach, hot or industrial wash.
- Clients are reliable for their own **wash and quality testing** of products prior to production.
- Allowance must be calculated for fabric and or design **shrinkage**, depending on fabric.
- Fabric supplied should be **PFP** (prepared for printing), open width, fluff free with flat selvedge.
- **Delivery** is not of the essence of the agreement and any date given is approximate only.
- **No claims** will be accepted that exceeds the printing costs of goods.
